

Elbert Allen Pope

February 15, 1957 - May 4, 2016

Elbert Allen Pope, 59, a lifelong resident of Taylorville, WV, passed away May 4, 2016 at his home following a recent illness. He was a wonderful son, brother and caring father. Born February 15, 1957 in Welch, WV, he was the son of Louise Ramey Pope of Taylorville and the late Elbert Pope. He was a 1975 graduate of Burch High School. Allen was a disabled coal miner, having most recently worked at Mingo Logan Coal Company where he had many friends. He was one of the best mine operators in the business. There are many things for which he will be remembered, but his pleasant smile, love for his family and friends and willingness to help others were his legacy. He was an avid NASCAR fan and enjoyed riding four wheelers with his son, Allen. He adored his mother and was a proud father.

In addition to his mother, Allen is survived by his brother, Rockey and his wife Elizabeth of Delbarton, WV; sons, LCPL Elbert Allen Pope II, currently serving in the United States Marines, and his wife, Shaleigh of Yuma, Arizona; and Robbie Howard; daughters, Christy Goad, her husband David and their children Aaron and Marcus all of Charleston, WV; Brandi Dearfield, her husband Paul and their children, Tamara, Haley and Riley of Chapmanville, WV; grandson, Jordan nephews, William Brian Linkenhoker of Matewan, WV and Eric Jason Linkenhoker of Hardy, KY; and special friends, Jack and Trinity Justice, Craig Cantrell, Homer Justice and many more.

Allen will be missed but we know he is in a better place. He acknowledged recently that because of prayer, the Lord spared his life on numerous occasions.

Funeral services will be held Tuesday, May 10th at 11 a.m. at Chafin Funeral Home in Delbarton, WV with Rev. Jason Allen officiating. Entombment will follow at Mountain View Memory Gardens, Belfry, Ky with family and friends serving as pallbearers.

Visitation will be held from 6-9 pm, Monday, May 9th at the funeral home.

“ Allen and I graduated from Burch High School, he was always smiling and just such a cheerful good person to be around. It's difficult to comfort the hearts of family and friends during this tragic passing of a loved one. Prayer and time someday will help ease the pain. May he rest in peace, my prayers go to his family and loved ones.

“ With a heavy heart, as I think of the last time me and Popcorn, this is the name me and Allen called each other, both of us were Popcorn. When we went to Burch High on the hill, we were in around the 10th or 11th grade, during lunch time the Varsity Club use to sell popcorn in the hallway between the boys and girls dressing room, and we both loved popcorn. We always found something to laugh about. Last talked with my friend at the alumni Burch Basketball game at the old Burch High on the hill. We talked for a while and reminisced about our high school days and so on. My prayers are with your loving kind Mother who is a dear friend, to your brother Rocky and his Wife Libby and all the family, may our Heavenly Father comfort you in your time of sorrow. R.I.P. my beloved friend R.I.P.

“ Got to know him when I first moved to Mingo County some 27 yrs. ago and became good friends. Worked with him at several mines. What they said about him being one of the best miner operators around was certainly the truth. He could make that machine walk and talk as old miners used to say. Will be strange not seeing him around Taylorville somewhere. He will be missed greatly by everyone that knew him. Very sorry for the family.

My thoughts and prayers are with you through this sad time. Just remember that Heaven is just a prayer away.
