“ R.I.P. Micah Jo We went to school together, you was the clown of the bunch, you was such an outgoing person, my heart is truly broken for your family. I remember back when you played lil league football I was there one day of practice and you came off the field cussing the coach out lol but at the same time you still set back and had a laugh or two with everyone. You're honestly missed Micah, to soon you was ripped from your family and friends, I will stand for what's right, I will remember Micah and stand for the justice that all three of you deserve. You got strong love behind you Micah Jo, Fly High Man.

“ Micah was the sweetest, most rotten kid! He never failed to get you laughing and smiling. From that chubby little butterball kid to the man he was currently, he was always a bright light to people he was with. Its so sad and hard to handle to know he's gone. Greg and I are praying for his family and friends. We pray that the good Lord will send the Holy Spirit to you for comfort, and we pray for Mary and Tony in this time. We can only imagine what it would be to lose a child. We are sorry for your loss and the loss to the world to lose such a good person. You're in our thoughts everyday
