“ *Amber was full of energy and always so fun to be around. She loved her family. Her bond with her sister brittany is something that death can't even break. One of my first memories was this chick taking up for me on the school bus when older kids were bullying me . Her entire family is very dear to my heart and I will be praying for all of you.*

“ *it is hard to believe Amber has passed on. Thinking of the little girl who visited us and did all the flips and cartwheels in the yard. She could have had a great future as a gymnast. Wish she had gotten gymnastic training. So pretty and Sweet. We have the memories of watching her talent. You are Loved and missed Amber. Prayers for the family. aunt Tootie&Uncle Dick Brewer*

When I heard of Amber's passing it broke my heart. She was my cousin and i loved her very much. I always thought she was beautiful. We weren't close due to my living in Georgia but when I was home I got to see her on some occassions. I'll never forget my cousin. I love you all and I'm sorry.
