“ My precious mommy and my best friend. She was an absolute angel and loved by everyone that met her. The greatest mother and greatest Mimi on earth. I know she’s dancing on the streets of gold with Jesus right now, having the best time. I will hold her in my heart until we meet again.

“ I have known Angie since her birth. She delighted in making people laugh. Angie loved the Lord. She followed her mother in pursuing a nursing career, and like both her parents, was a "people person." She was a fierce family defender and delighted in them. She will be missed here; however, soon there will be a " Glad Reunion Day."
