“ *Suffice it to say that my big sister Antha was a second mother in the lives of her younger brothers and sister.. As with any family, the memories, the struggles, hardships and wonderful times are all there. The love we shared can never die. Antha was a good and humble person with an aura of gentleness seldom seen. She married a wonderful man and raised a beautiful family.. A life well lived makes our world a better place... Heaven is graced with her presence, and out there somewhere, a star glows a littler brighter.. My heart goes out to Lewis, Charlotte and all the family.. A beautiful soul has departed to a new life in a better place.*

In loving memory, RC
