“ *It's been almost 30 years since I've seen my aunt Bea. Though time and miles separate us, my love for her covered the world. We all have a favorite this, or favorite that... Aunt Bea was my favorite Aunt. They don't get sweeter, more loving or more beautiful than my aunt Bea. I love you Billy Ray, Steve and Lola. Though time and miles separate us, I love you all the same. God has gotten all of you through everything you've been through, He will get you through this too. ?*
