

Beatrice Ooten

March 19, 1935 - January 3, 2026

Beatrice Ooten, 90, of Ragland, West Virginia, departed this life and entered her heavenly home on January 3, 2026. She was born March 19, 1935, to the late Lacy and Bessie Duty.

She was preceded in death by her adoring husband and best friend of 53 years, Ballard Ooten Jr.; her brother, Savage Duty; and her sisters, Virginia Canada, June Smith, and Martha Workman.

She is survived by her nephew, John Duty, whom she raised. John was a devoted son who cared for her every need until the very end. Also left to cherish her memory are her sister, Violet Napier, and her husband, Orville; her brothers, Bruce Duty and his wife Phyllis, and Curtis Duty and his wife Patsy; along with many nieces, nephews, cousins, and friends.

Beatrice was the pillar of her family—the thread that held them together. She never missed a special occasion and delighted in any opportunity for celebration and cake. She had a remarkable gift for loving others.

A dedicated Christian and servant of the Lord, Beatrice was an active member of Grace and Truth Church. She held tightly to her faith through the good times and the bad. She was known for always looking on the bright side of life. Beatrice will be remembered throughout the community where she lived for 90 years and in the hearts of all who knew her. She leaves behind a legacy of love and a lifetime of goodness. She was truly a blessing to all. Pallbearers will be nephews and cousins.

“ *So sorry to read this news about Bea. Another good one has been called home. Phyllis and Bea would pick me up and we would go to New Beginnings Church. We would talk about the Lord during this precious time. Bea would get so happy in church. She always talked about the Lord and his goodness. Never had anything bad to say about anyone. She will truly be missed by all who knew and loved her. Well done thou good and faithful servant. God bless each of you is our prayer. Love and prayers, Neal and Glenna*

“ My husband and I first met Bea at Rockhouse FWB in 1980. She and Ballard were so precious and loving people. After we moved away Bea sent the newsletter to us for many years. We will remember her kindness and gracious demeanor that she always had in every situation. May her family members follow in her footsteps to heaven!

I've known Beatrice Ooton since 1975. Occasionally we would cross paths. And Williamson. and she would always invite me to church. She always had a smile on her face and she would often ask me to stop by. and she would always have a word to say to me just hang in there. Bruce one day we'll have a better home to go to. I'd like to take time for the family, her brothers and sisters to say I am very sorry for the loss of your sister. I will continue to pray for the family and friends rest in peace Beatrice.
