“ I am so saddened to hear of Belle's passing. We grew up and played together as young children. I will never forget learning to ride a 26" bike at Belle's 6th or 7th birthday party. Belle had a contagious smile and was a great person. RIP Belle, you will be missed.

When I think of Belle I smile because she seemed to always smile. I grew up knowing Belle. Even though I had not seen her in years she has kept a special place in the memories of my life as I grew up in the Southern West Virginia. My deepest condolences to the family and may God give the family peace and comfort in the memories you have of your dear loved one.
