My thoughts and prayers are with you. Although you feel sorrow at this time, it also must be comforting to know you will see her again one day. May God comfort you at this time. Wish I could be there to give you a hug and share a prayer.*

“ *I have many wonderful memories of talks Bess and I had over the years. She was and always will be a special part of our family. I loved her dearly and will miss her so much but I know where she is and I will see her again one day. I can just see her now, singing in that heavenly choir. She fought a good fight and she won the race. She is now enjoying the rewards God had in store for her. I cry for our loss, for her children and for all those that loved her, but I rejoice in knowing she is with now safe in arms of Jesus.*

“ Bessie was my friend, so special! She is definately in Heaven now! Our loss is Heavens gain. To know her was to love her! We worked together for the majority of her career and I was blessed to be the one who stole her from Income Maintensnce to become a Family Support Worker! I never regretted that decision. She was a gift and treated everyone the same. My prayers go out to her family and numerous friends. Our work family all loved her.

Toni & Lisa and all the family - We SO very much regret that we will not be able to be there for you at this time of your great loss. Know how very much we all loved Bessie! I remember her as always having a smile and laughter in her home as well as her love of singing and of our Father in heaven and our Savior, Jesus Christ. Know that you are in our thoughts and in our prayers. Hold tight to the wonderful memories you have. Love, George & Angie's "kids" - Nellie, Opal, Jacob, Smith, George, Lois and Roberta...and Uncle George and Aunt Angie, Millie, Rosie and Angie who are on the receiving side with Bessie.

“ I love you Bessie. And I will miss you. I thank you for raising my dad and a lot of other people as well.  
 What you said went. No questions asked. I remember every Thanksgiving we would all pile in your house to eat, and you would put a nickle in a dish and whoever found it won. I was little I don't remember much.  
 But Bessie it won't be the same without you. My Dad has lost his mother. He is completely heart broken.  
 I can tell, even though he is hiding it.  
 Your word was gold. We all listened to you.  
 You were amazing, awesome, beautiful, smart, caring, respected, and sometimes feared =). To me you were the perfect woman.  
 You worked all your life and took care of 2 girls. And everyone else around. I can't find the words to describe how I feel, or how highly I thought of you and respected you.  
 I love you Bessie Toni Hinkle, RIP. You will be missed.

“ *I worked many years with Bessie at DHHR and she was a very caring person. She carried a smile and a kind word all the time. She loved her job and people. I believe Bessie earned her Angel wings on Earth and is now using them in Heaven. Rest in Peace dear friend. Sandy and Gary Marcum*
