“ My sister Frieda Bentley was closer to Betty Ruth than I was since I was a few years older than Betty Ruth. It hurts my heart to hear of friends from my childhood that has passed away. Frieda kept me up to date of what went on once I left Delorme My heart goes out to the family. I ate a many burger from Mrs. Mounts place. ,Her or Mossie fixed them for me. My brothers were good friends Of Burt, Philip. Iko. Like family to our family.. I loved Toni and Mousie AKA Randy. They were closer to my age . In time the hurt will ease, but we never let go of the memories of our loved ones, I know, I have lost 4 brothers and sister's and Mom & Dad out of our family.
