“ *I'll never forget my Great Aunt Beulah. She really was one of a kind..... a true angel sent from Heaven. I can just imagine her now.. shouting and praising God and thanking him for bringing her home. She never failed to witness to everyone she came in contact with and let them know what the Lord had done for her and how much she loved Him. Our loss is definitely Heaven's gain. I'll miss her, but I am happy knowing that she is in the arms of the one she truly loved.*

“ I love my Aunt Beulah. I have a lot of fond memories of her. I remember staying with her for about a week at Taylorville when I was in 5th grade at Glen Alum. She was always a very kind person and one of the best Christians I have known. I remember when she went to the Oneness Pentecostal Church at Red Jacket - I loved hearing her shout and praise Jesus. I wish I could be a witness for Jesus like she was. Mack loves Aunt Beulah too and remembers her shout and praising in church. We will always remember her and we are praying for her family. Love and prayers, Louise (Evans) Mullins and Mack Mullins

“ My Condolences to the family. I remember the gentle spirit of Beulah, and the kindness she always showed to others. But, most of all was her love for God and her family. My family and I went to church with her for awhile when I was in my teenage years, and I will always remember her as a Faithful, loving servant of the Lord. She will be missed by family and her church and her community.

“ I remember once when I was about twelve. she used to walk down the road from her house to Brother Dickie's church on Sunday evenings. I was at my grandfathers and she stopped and asked if i wanted to go with her. I did but i didn't have a dress to wear. She bought me a dress that next week. I will never forget her or the way she loved everyone.

“ My Great Aunt Beulah was one of a kind. She used to take my brother and I for walks down the road. I have a scar on my knee from one of those trips to remind me of her - she was so sweet taking care of me after I had fallen. At some point, she decided it was too dangerous for us to walk by the road, so Uncle Ray would drive us to Burch High School to walk the track. She always wore a dress with pockets. In one pocket she would have pennies. She would move over one penny for every lap we did and when all the pennies were moved over, we were finished. As we walked around the track she would sing and pray and talk. When I went away to college, I would get to see her on the weekends. She would tell me that she missed me and that she was praying for me. I know her prayers helped me get to where I am today.

Sis. Justice was so sweet and loving to me always. When I would see her, she would greet me with a hug and a kiss on the cheek. She sure was example of a godly and holy lady that should be praised (as in Proverbs chapter 31. She was like a mother to me, I loved her from the depths of my heart. She would also counsel me in the will of God and how my life could be more pleasing. I loved here honestly, she would tell me how to live closer to God, and a great councilor when I had a problem. After I moved away from Red Jacket, WV I would call her quite often to check on her and get her advice on certain things. I can't give her the praise she deserves. I know she was tops of all holy Christians in my book. She was definitely a mentor to me. I loved her so much. My sympathy, thoughts and prayers are with the family at this sorrowful time. God bless and be with you all.

What an absolutely amazing person and faithful servant of the Lord! I fondly remember the times that I spent in church at the Oneness Pentecostal Church in Red Jacket with Sister Justice. She was such a kind person that always had something good to say. She was a great friend to my Grandmother (Lula Johnson) and my Mother (Shirley Ferrell). She was such a happy and joyful person, and I am honored to have known her. May you now receive all of the riches that Heaven has to offer as you are welcomed into the loving arms of our Lord.

I'm sorry I'm a year late but I want to express my sorrow for a lady I knew in my youth. Beulah was my Grandma Hester's sister and my dad Elmer would stop and visit with her whenever we were in West Virginia throughout the 60s. Dad was pleased to see her when she came to Columbus to visit him shortly before he passed in 1993. Praise the Lord she was a good Christian.
