“ *I'm so sorry to hear that Brenda has passed on. But if there were ever a place I heaven reserved for a person. She will be in the front row. I ve seen her at my worst with an uplifting and loving gesture and at my best,she had the same gesture. The people of this world definitely lost an earthly angel and someone who made this world worth living in everyday.*

“ Brenda was a dear friend we worked together @ the Lenore Vol. Fire Dept. did Fire school together, worked together on events @ the fire dept. and when we had the time we spent time together out side the work place if it was just to have a cup of coffee at my house and a visit from time to time we did that. She was a fire woman she Loved her Fire Dept. She was a...Wife...Mother...Grandmother and so much more she Loved her family and adored her Grandchildren she Loved being a Firefighter helping her community and whoever needed help. I called her my friend she called me her sissy ! I remember a time when I was going through some things she had called that day not saying a word, but hearing me crying she began to sing the sweetest song as I listen to her sing soon my tears stopped who takes the time to care that much not a lot of people I can say that, but she was a special sis to me. I will miss her when things come up and she is not there with me, but I will carry the memories of our Friendship always in my heart. I will see her again in heaven and she will be there waiting. Love You Sis (Patricia Davis)

Brenda was one of the best women I know. She truly had a heart of gold and would give you the shirt off her back. She was not happy unless she was helping someone out. I am blessed to have called her my friend. Go fly high with the Angels my sweet friend.
