“ *Brenda, i cant believe you are gone. Though i havent been in WV for about 12 years, we just talked a few days before. When i did live down there and you and Johnny would come over and we would have so much fun and so many laughs. I couldnt have asked for a better sister(in-law). When i found out, it broke my heart. I will miss you so much, but will see you again some day. Give big Rodney a hard time for me. Love you Brenda.*
