“ *If there was ever a true definition of a Christian it was Bridget. She let her love for her Lord shine throughout her life along with the love that she had for children, which was her heart and soul. She loved planting flowers at church and we all got to reap what she sowed and I'm not just talking about the flowers either. She and Donnie touched my life in such a way that only they could. I do some of the things at church out of honor of them and knowing they would want me to continue the work they started. Bridget has finally made it home, where she wanted to be, with her Lord and Savior and the love of her life Donnie. She missed him more than anybody knew. They both will be missed, not only by me, but by our church. We will keep your work going strong down here until the Lord calls us home. I want Cindy, Serena, Duane and Bruce, along with the rest of the family, to know that you are in my thoughts and prayers. I loved those two like they were mine. Will continue to pray for the family in the days and weeks to come. May God grant you the peace and comfort you need during this time.*
