Thanks for sharing the photos. I never had the pleasure of meeting Bruce because he was always working. I taught Jenny and BJ at Varney Grade School. I adored them both and loved every chance talking with Judy. What a lovely family who truly loved each other and all they met. My prayers continue and may God's peace comfort you all throughout the times to come. Neighbors visit Judy and include her if you can in your activities. She was one of my favorite parents. I love them all.💕💕
