“ *So many memories of you Dave. All happy ones. You always made us laugh. Usually before it was over we were laughing until our bellies hurt and tears rolled down our face. When Dave and I first started dating I wasn't sure which Dave I was dating because it was me and Little Dave and Big Dave, everywhere we went. Which was great, because we had so much fun. And so many crazy adventures together. Dave and I loves you so much big guy. You will love forever in our hearts, and in the precious memories that we have of you. Our love and prayers remain with his family during this difficult time of saying goodbye to such a beautiful soul. We love you all.*

“ Dave was like a brother to me.....He always saved me a seat on the school bus, we always sat in the main back on right side of ole bus no. 9, he always laid his arm behind me on the seat and the shape of his arm was worn into the seat. He may be gone, but I will never forget all the good times we had together...R.I.P. Big Dave even though you had lost all that weight, you was always my Big Dave.....Love Always!!!! Cuz Diana
