“ *I am so sorry your life was cut so short. You always lit up a room with your personality. I'll never forget the first time I met you. You made me laugh so hard soda came out of my nose. You loved helping anyone you could. Nothing was more important than your family. You loved so deeply and hard. I just know you were a wonderful mommy. Your presence will be missed; I will be praying for your baby and your family. God bless your beautiful soul. Rest in peace Christina. You will be greatly missed.*
