“ *Lloyd, we moved to VA and we just learned of Connie going home. Our hearts are broken for you and your family. We worked with Lloyd for many years and got to know Connie. She was such a blessing to all who knew her. I read the book "90 minutes in Heaven" and there is a movie out now. It gave me peace in knowing my loved ones were there and that I will be someday. We send love to you and your family and pray for God to give you comfort and carry you through this sad time. Love Chet and Blit*

Many prayers' to each of the family; Such a wonderful Lady she is and was. Our loss is most definitely Heaven's gain; Our family was so blessed to be a part of the Mills' family. What a wonderful Sister, Friend and Aunt we have had the pleasure of sharing with our\her family. She had the most kindest heart and an infectious smile and laugh that would touch your very Soul. She will always be in our heart and memories. Connie lived her life as a testimony to others by being kind and the love of the Lord in her heart. May the Lord wrap Loyd and her children in his loving arms in the days that follow for all the Comfort Mercy and Peace

God Bless

“ *Lloyd and Connie lived beside of us for years, Me and her daughter Crystal use to play together all the time when we was younger. My brother played with J.J. and Adam and I'm sure we got on their nerves (lol!) but they always welcomed us and treated us like theirs. She was a wonderful woman and she will always be missed. I pray God gives the family comfort in this sad and hard time.*
