“ *Buddy was my Great Uncle, my mom being Polly Sue, his niece. He was a hard-working man, who loved working in the coal mines. He thought the world of his family, and his departed wife. Buddy took care of his parents until they passed away. And he was greatly taken care of as well. One thing I remember about Buddy was that he loved pinto beans. And granny Hatfield always had him a kettle cooked every day just for him. I don't believe that I ever heard anyone speak bad about him. He will be missed greatly. He is home with his family now. Goodnight Buddy.*
