“ *Dal was a wonderful person. My parents rented off him so long the tolers became like family to me. I will forever be grateful to him for giving me the job of cleaning and painting rentals because no one else would give me a chance to work period. He gave me the nickname goober for when I messed up on something. There's many memories I will cherish, and he will definitely be missed. I will be keeping his family and friends in my thoughts and prayers.* ”
