“ *Dalphine was a trusted friend and sister in Christ Jesus. She stood with me at a time when friendship and love was defined by actions. I will love her for all of my days, and join her when we meet in the great land of promise.
This is certainly not goodbye. It's just "I'll be seeing ya!"*

“ *Dal was so good to me from the time I entered the family; She always treated me like a sister. But what I loved the most was her blunt honesty...if you didn't want that then best not ask. May God's comforting Grace and Mercy be with each of you*
