“ My favorite memory of my Uncle David went like this. I stayed at his house or his girls stayed at maw maws house with us. His daughter Sherry and I were especially close. One day while he slept or went somewhere, Sherry and I decided to ride Uncle David's four wheeler up in the head of pigeon roost hollar. As we started up Bee hollar bank, it rolled over us and down the hill. Thankfully neither of us was hurt but we did mess up part of his four wheeler. We stopped at Uncle Woody's to ask him and Aunt Connie to not tell on us. Then we took his four wheeler to maw maws house, and cleaned mud off it. Took it back to David's house and chained it up. When next he went to take 4wheeler out, he noticed the damage but thought he dinged it up on a bender. Sherry finally fessed up it was us years later. I have many good memories of Uncle David, once he took 10 or so of us to Camden Park in back of his pickup, with a tarp which kept us from the rain. Another time he took us to Matewan Magnolia festival so Aunt Lena could see Billy Crash Craddock. These are just a few of the memories I will keep. After he moved to KY didn't see him but always sent him a Christmas card, until they started to be returned. I want so much to be with and see ya all again. Unfortunately I am writing this while on vacation. Love ya all!
