“ *I am sending my deepest sympathy and condolences to his family whom I dearly love. Working with Timmy and Gobel at Lenore Grade School was a real pleasure. I will always hold this family dear to my heart. "Big Dave" was a real friend all through our High School Years at Lenore, and he will be missed by all of our classmates from the Class of 1978.*

“ I am so sorry to hear of David's passing. I will be thinking of, and praying for, the family during this time. I remember David as being one of the funniest people I have ever known and I don't remember ever seeing him without a big smile on his face. I am sure he will be missed.
