“ He was the most amazing dad and friend anyone could ask for I was blessed to get to call him both. I have never seen a day pass he didn't go out of his way to help someone out or brighten someone's day he had a peaceful way to bring light to any situation no matter what you can't help but smile ever time you see him still to this day as I write this and cry I can't help but to smile at the thought and memory of the angle of a man he was and the great loss the world has now that God has called one of his own home... Gone he may be miss hell yes by many but forgotten never.... A emptiness and hole in the heart of many.. I love you dad..
