“ *I am deeply saddened to learn that my friend and colleague has passed. I worked with Denise years ago and always enjoyed her expertise, sense of humor, and laugh. Her son, Brandon, is also one of my son, Keenan's best friends. My heart goes out to Brandon, Blake, and Alexis. I wish I could attend the services on Monday, but please know that I am there in spirit.*

I am shocked to see this. I worked many years at Prestera Center with Denise and enjoyed many stories about her children. My prayers are with her children and family.

I am so sorry for your loss.

A bright light has left this world. I will always remember our days working together when our girls were little. Denise was a positive force in every situation and changed lives. You will be missed by everyone.

My thoughts and prayers are with all of her family. Rita Morris
