“ Penny Sue and I loved visiting with Dennis many years ago. Dennis and Penny Sue really got after each other and made us all laugh uncontrollably, and in the end Penny Sue was honored as one of the few who ever left Dennis speechless. Dennis was a special guy. Another fond memory from when I was a teenager-Dennis took all of the Donleys in the back of his pickup to Glen Alum and the old company store where my Uncle Walter and my mom, Ruby and her family lived as kids. We were all black with coal dust by the end of the day!

Dennis will be missed.

“ I still have fond memories of Tammy and I visiting Dennis and Rita nearly 50 years ago. Dennis was a joy to be around, and easy to talk to. After that, Tammy was able to visit, I'm sorry that I wasn't able to get back to see them.

“ We didn't get to be together very much when we were growing up, but hopefully we made up for it as we got older. I love you so much and I can't believe that you're not here with us. I hope you knew how much you meant to me .This was so hard saying goodbye to you knowing I'm not going to hear your voice again or hug or hold your hand when I have a crying episode. You were so well loved by many, you have no idea. Love you my Brother, going to miss you so very much, my heart aches. Till we meet again!”
