

Desiree Harmon Morris

October 17, 2022

Desiree Harmon Morris, age 49, of Matewan, WV passed away on October 17, 2022 at Pikeville Medical Center due to complications from a long term illness.

Desiree was the proud aunt of one niece and six nephews, whom she loved dearly. Her laughter was contagious and she was always the life of the party. Desi had a sweetness about her that was captivating to all who knew her. Desiree was preceded in death by her mother, Margaret Ann Varju Harmon and her nephew Alcide Harmon. She is survived by her fiancé, Chris Hatfield; father, Charles Alvin (Bernia) Harmon; brother, Andy (Karena) Harmon; sisters, Jennifer Lynn Harmon and Natalie (Andrew) Caple-Shaw; her niece and nephews; many cousins, aunts, and uncles that she held dear; and beloved friend, Ray Rife.

It was Desiree's wish to not have a traditional funeral/memorial service. Therefore, the family feels that personal gatherings in her memory & the celebration of her life, the kind she would have enjoyed attending, would be more suitable. There will be a private memorial held for family members at a later date.

“ I see you in the blackbirds outside. I hear you in the music I play. During my darkest times you were there. I will use the love you left behind to light a flame. -Natalie (your ‘littlest’ sister)

“ You were one of the sweetest and most beautiful people in our class. I am thankful to be able to say you were my friend, and that we survived French class in high school! Lol! So much fun in that class out of all the ones we had together. I’ve been remembering all the fun all of us had at Matewan Jr, and High school since your passing. Your loss is felt in the hearts of many. I love you sweet friend and will hold you in a piece of my heart always. Rest easy sweet beautiful soul.

“ I love you Desi. Like our mamaw you always had the biggest heart combined with a spirit that loved laughter and companionship. You were always good to me and I know the love you had for your nephews was without limits. Losing you leaves a large hole in us all, but I know God knows our hearts and would rather bring you home than leave you to suffer any longer in this world. I'll miss you but hope to see you again. Thank you God for blessing me and the rest of us with the time you gave us with such a beautiful human being.
