“ Bear, I never had the privilege to get to know your kids but if they're anything like you, they will have a special place in heaven. You are such a gentle soul and I am so grateful to you for always making sure our families final, earthly resting places were always prepared because of you and your boys. We've had too many gatherings at Marcum's Cemetery, but God knows best. Those who keep the cemetery looking so nice and preparing the place for burial can be easily taken for granted; however, I know you and your sons took on this responsibility because of your love for our families. I sincerely love and appreciate you and your boys for always being there. Please know I genuinely care about you and will always remember you giving your life to the Lord at the Delbarton Church of God many years ago. I always thought and knew you had a heart of gold and that God would favor you for your compassion. My prayer for you and your family is the Lord will give you peace that passes all understanding. You are so deserving and I love you with all of my heart and soul. Dave, Gina and I will be in constant prayer for all of you. ❤️🙏
