“ Thank you Dimple for all the good memories you left behind, they are treasures of our hearts now. We really miss you and your visits, and the long talks on the phone. We are sorry you didn't get well to come back to live in your home and close to all of us but God had a better plan for you. God always makes the right decisions and our comfort is knowing that you are with your Lord and Savior never to be sick again. When I went to the cemetery to decorate the Depart cemetery I was thinking now you are seeing them again and some of them passed away at a very early age but now you are with them also. Now every birthday and 4th of July we will be remembering you and Johnny coming over to celebrate with us. We loved for you all to come over it was always a enjoyable visit. We love you Dimple and thanks again for being a friend as well as a relative.

“ *Dimple DeHart Blankenship, you will always be in hearts of all who have every known you. I so remember the love and kindness you always showed me and Roger as we started our family. You were always there with kind words of encouragement. You will be a bright star now to guide our way through the darkness. God will hold you in his loving arms forever.*
