“ *I didnt know Don had passed. It has been a while since I had seen him or Debbie but they were both always so loving. Don was an amazing man and never went a day without saying hi or talking to me when he was working outside in the yard. I've known them for a very long time and I will say Don will be very missed. I wish I could have been there for the services. Rest in heaven old pal. You will never be forgotten.*
