“ *I saw Donnie just a few days ago at Dotson's. He could not stop talking about being a dad for the first time also so excited they he was gonna have a baby of his own he was also at the end of our conversation he was bragging on Jason how much Jay has accomplished and how he looked up to Jason and he wanted to get his life together and to be like Jason, Donnie was a special person if you ever needed anything, he would've gave it to you, or if someone tried to bully someone the Donnie I knew would be right there to help defend someone. That's the Donnie Evans I knew and the one I will carry with me from here on. We all have a past but Donnie is an angel and free from his. You'll be missed my friend by all who loved you!*
