“ *Edgar was one that always met you with a smile. He was a good man..always willing to help. He delivered milk to the school where I worked. This is how I came to know Edgar. Then when he married Bonnie, it was like family. My daddy loved him and always talked about him. I guess in a lot of ways they had the same personality. Rest in peace Edgar. Till we meet you again...Prayers for peace for Bonnie and the family....Carl and Kathie Newsom..*

“ I’m so happy that we reconnected after so many decades and that you and I talked before you passed. I remember you as a handsome boy my age picking up golf balls on the golf course. Thank you Bonnie for keeping us connected. RIP cousin 🌹🙏
