“ *Love and prayers to Karen, Greg and families. I get a warm, loving feeling thinking of Edith because that is what I felt every time in her presence. Always a kind and caring lady. As friends with Karen since childhood, have many memories of Edith....staying at her house with Karen, wrecking on Karen's bike with Edith bandaging my knee (still have a scar), baking cookies though I think I did more eating than baking, attending vacation bible school with them and more. Edith was always smiling. She just seemed to really enjoy her family, church family and friends. I know we will all miss her.*

“ *Many of my fondest childhood memories revolve around the Marcum family. Playing with Karen, Edith taking us to the pool in Delbarton, spending the night at your house, sliding along your hardwood floors in our socks and more. My heartfelt sympathy to the family.*

“ *Our hearts go out to each of you. We have known Edith and knew Leonard since the early 70's. They both were great people. Edith was very enjoyable to be around and I still have the baby quilt she made for our first born. May God give each of you strength to carry through this difficult time.*
