“ *Eddie and I were good friends from our childhood to adulthood. We went to Lenore High School together. I remember what a nice guy he was all of his life. We played together with my cousins the Vance children of my Uncle Millard and Aunt Tootsie many days along with my cousin Gayle Newsome, the daughter of my daddy's brother, Okey Newsome. Never had any altercations or harsh words with each other. It was "One for all and all for One". True friends for life. Rest in peace my friend. I'm still in a race for my Heavenly home. We will meet again my friend where we'll never be sick or know any sadness or pain and we will never grow old.*

“ I met Eddie and his family at karaoke and fell in love with them all immediately. They make you feel a part of their family and I was proud to have met them all. Eddie liked a song that I sang and I was so happy that I got to sing it one more time for him on October 29, the night before his passing. If I can be of any comfort, help, or just to talk, Jeanne and Carol Ann, please feel free to call me ANYTIME! I love you all. Rest in Peace Eddie!!
