“ Dearest Pam and family.
I am so saddened to learn of your sweet momma's passing and at the same time I am flooded with childhood memories of us. I will never forget the band trips with our mothers working side by side at the concession stand, not to mention the sleepovers where I was always treated with such kindness. Heaven surely gained an angel and please know that you and your family are in our prayers and will continue to be in the coming days. I love you!
