“ *Shane honey, you are the last person I expected to find here. You and I shared a special bond when you were a child sitting in my classroom.*

*We would cross paths again when your family was moving away. I think your mom brought you to my home on Elk Creek to say our goodbyes. I gave you a cherished possession-my autographed Michael Jackson hat. You didn't know what to say. You and I loved him all those many years ago.*

*I pray your parents are left with the comfort of knowing you are in a better place. As a mother I can't think of a better place than in her arms, but something took you from them. I don't know details, but I do know this breaks my heart so, I can only imagine the family's pain. Rest in peace*

*little one. Mrs. Patrick will always love you.*
