“ *Robert, Connie, Serena and family I am sorry to hear about the passing away of Flossie. I remember her from the WMH and also meeting as a child several times at my MaMaw Runyon's house. She was such a sweet loving person. I pray for GOD to comfort the entire family in your times of need.*

“ To all you kids in Flossie's family,I grew up among you for many many years not knowing we were family but always as though I were. I'm saddened deeply to hear that she has passed on like so many others I remember so fondly and with only good memories. I can honestly say that if anyone ask to hear 1 bad memory of your family from my childhood to now and they said anything other no,nothing,I would say you're wrong. I'm not able to make it for Flossie's service because I was just informed this morning and I moved to Savannah,Georgia yesterday and that was 9:00 p.m. So if you need anything at all and think I can help? Please contact the funeral home for my contact information or get it from my boys,I love and miss you guys truly,Steve Sheppard.
