“ *I just wanted to let the family know that I loved Ms. Rowe as a teacher, she was my all time favorite at Red Jacket Junior High School from 72-74. She used to work the Jumble puzzle in the newspaper every day during lunch and every now and then, she would let me help her if she was having trouble with a word. She was one of the best!*

“ *I am so sorry for your loss. Frances was always one of my favorite co-workers when I taught at Delbarton Grade. You are in my thoughts and prayers. May she rest in peace.*

“ *Dear family, I did not know Frances personally, but I wanted to express my deepest sympathy. At times like this, I have found Jesus Christ's words at John 5:28,29 to be truly comforting. There he promised that "the hour is coming when all those in the memorial tombs will hear his voice and come out...to a resurrection of life." I look forward to that time so much. Feel free to contact me at the email address attached. Again, I'm so sorry for your loss and I'll keep you in my prayers.*

“ I have the fondest memories of my years spent at Delbarton Grade with Frances. Her "matter-of-fact" way of saying things and her happy laughter filled the "lounge" and the hallways. Heaven has gained "one of a kind!" She brightened the lives of her fellow teachers as well as her students.

“ She was my favorite teacher of all time. My heart broke for her when she lost her grandson, because any that were ever in her class would have known how very much she loved him. What a reunion they must have had in heaven!!!

Since Mother has been living with me, we have taken many trips back in time in which you were the main participant and you and Mother were young and the world was still kind to you.
