“ Oh, my dear cousin! I know one of the most memorable moments with you also, included Cousins Garland Compton and Larry Stanley. You all thought it was a great idea to go to the little fair/festival with rides. Cousins Pam Broud-Woods, Dahnna Broud-Beach and I were talked into riding the little spinning teacups. Not the best decision on our parts. You, Garland and Larry spun it so fast, we couldn't even hold our heads up! I have no idea how long that ride was but it felt like forever! It was a long time before we got equilibrium back. Come to think of it, I might still have some after effects from that experience. Love you so much! Godspeed your journey home.

“ My father recently told me that it was Randal who came to my grandmother's house dressed as Santa one year. I was only about six years old but I remember it perfectly. Randal was always such a sweet and kind person. I should've known it was him.
