“ *Carolyn June Adair-Smith was a family friend since the 1950s. She and my sister Constance June Pack-Edwards we're best friends since Grade school. I remember she said she met Fred Smith at a drive-in theater. She was wearing hair curlers. Fred went home from movie and told his mom he met the girl he was going to marry. They share a long life together on Earth and now they're spending eternity together. Rest in Peace.*
