“ Teresa and Diane, It's been a long time since you guys used to come visit Francis & Jim with your Mom and Dad and we all used to play together but how much of my childhood is attached to both you and your parents and, having lost both of my parents a while back, I sympathize with you both right now and hope you know how much our hearts go out to all of you during this time. Your Mom was such a kind, wonderful lady and is forever in our memories, in our hearts, and I hope that somehow gives comfort to you both during this difficult time.

“ A butterfly lights beside us like a sunbeam. And for a brief moment its glory and beauty belonged to our world. But then it flies on again, and though we wish it could have stayed, we feel so lucky to have seen it.
