“ Dear Phyllis
Condolences on the death of Georgia's earthly body
I went through high school with her. Her golden heart was as big as her beautiful smile. After a few years I was blessed to be a nurse for her from time to time. She was a very patient soul May the Lord wrap his arms around each of you bringing comfort as only he can. God's blessings
She surely is in a heavenly home with no further sickness to riddle her body

“ Georgia went to Israel with my tour several years ago. As we were leaving Athens, Greece at about 2:00 am we encountered horrible turbulence and lightning. It seemed that lightning struck the 737 jet at the left engine. The plane went up and down, side to side all but roller over. People screaming, pastors praying very loudly but all of a sudden it was over. We were fine.

I looked back at Sis. Georgia and said to her ARE YOU OK? With that big smile she look at me and said what? Sure I'm ok. I've been asleep. Everyone laughed.

Meet you in the morning Sis. Georgia.
