“ Thankful for the opportunity to have known Pastor Glen. His goodness could be felt by all of those who knew him. Sister Teresa, I know he will forever be etched as your Daddy Glen and so thankful that he had you and Pastor Bobby to help him in his last days. He and Minnie had a brief, but timeless love story that could only be admired by others. Prayers for the whole family as we also rejoice at his home going. He has finally received the prize he worked his entire life to win!
