“ Two years have passed and I still miss you...it hurts so bad...I struggle Greg with what to do now...to move forward and dream again...but I still get caught up in our dream it seems to linger on...I so wish I was educated on what was going on....so I could have helped you more...I cannot imagine the pain you must have been going through...the darkness that I knew nothing about... You were simply a Great Man to me...you always thought I was strong but if you seen me now you would think differently...your way of leaving this world is like nothing I have ever experienced I will always Miss you...I Love You... Thank You for all the Great memories I have of us...and Thank You for Loving Me...Our Season Is Over But I Have Great Memories to Cherish Always and I Will Always
