“ *So many memories, sitting at the dinner table Grover talking about gross things and aunt Alice saying Grover leave this table. He loved all his babies something fierce. His rule if he came close to family he would stop and visit, which he and Debbie did and spent a 4 th of July with us. Making sure his aunt Nettie had an air conditioner when she became sick. The Love of God in his heart, his wonderful testimony. The example he and Debbie gave with their marriage, the great Love they showed each other. I will miss you Cuz. Till we meet again on Heavens shore. Love you Debbie K*
