“ *So sorry for our loss. We loved Helen so much. I stayed many nights with Diana and Teresa. Such great memories. I talked with Helen not long ago. I thanked her for being so good to me when I grew up. She always took care of Clayburn and I. Whether it was lunch money or clothes she was always there for us. When I thanked her for her love and care she hugged me and said I was hers, one of her children. She had such love and compassion for every one that crossed her path. May she rest in peace with the Lord, James, Lisa and Mouse and all the rest of the family. We will never forget her. Our hearts goes out to all of you. May the good Lord comfort and keep you all. We love each and ever one of you. So sorry we could not be with you. I pray you will understand why. Love and prayers Neal and Glenna Robinson*
