“ *I just saw the obituary....I just wanted to show respect for such a kind soul. He was my school bus driver all thru elementary school and drove my children to school as well. He was so good to all of us. He was always punctual and always made us feel safe thru out the years. I felt confident and knew my two children would be well taken care of while being transported to and from school. Heaven gained an angel for sure.*

He drove bus for my dad's school, Varney grade. I remember getting to take my first school bus ride. He agreed to let me ride the first run since he returned to the school for 2nd pick up. Dad trusted him and considered him a friend. RIP.

“ *I have many fond memories of Uncle Hiram. He had such a way with animals. He taught me how to give my pet raccoons their vaccinations. He was giving an antibiotic to a goat. His home was a special place. My children played in the old school bus that I played in & my great grandsons also enjoyed the same experiences of the life style my uncle treasured. Forever holds a special place in my heart as he is loved by many. Rest In Peace Uncle Hiram.*
