“ *Peggy and family: I'm praying for you and, having followed you on facebook these last few years, I've gotten to know your children and grands and greats. Years ago when I came to your town with my grandkids who were with the Kentucky Opry fiddlers, the first person I met when going to the venue was this good looking guy (in boots) that walked up, stuck out his hand and said, "I'm Howard Branham, Jr." Could have floored me. Also, growing up there at the mouth of Tom's Creek, your big family and mine, your aunts and grandparents Leonard and Lou, the freedom to wade the creeks and river and roam the hills. I'm sure you and Howard instilled all those wonderful values in your children. May God bless and comfort all of you, and I'm so sorry for your loss.*
