Heaven Will Hold You

Your spirit was brought to us

From a wish made of love.

We couldn't believe it when we
realized we'd been blessed from above.

In my womb you were growing slowly, but

I found peace knowing you were there.

Then came the tears of loss and I wanted

To know how life could be so unfair.

I had to realize that because you were so

Special, God needed you more than I.
It helps me when I feel His loving
hands wipe away my tears as I cry.

I know that someday we'll be together
again, but for now I'll keep you in my heart.
Know that I love you more than words can say
and that God will protect while we're apart.
Love, Mom and Dad
