“ *About 24 years ago Hurchel and Virginia have Perry and I our first start. They sold us a home on contract, if they wouldn't have done that Perry and I would have had to go our own ways. We are still together thanks Hurchel. R.I.P. Prayers are with the family*

“ I miss My Papaw and Momaw more than anything.... I wish they was still here with me but I don't want them suffering.... If I could go back in time I would change things that I had said and done.... If I didn't have my 3 boys and my wife they would be burying me beside them.... I know its life but it hurts.... They went through hell and back for me now I have NO ONE but my wife, 3 boys, my Aunt Linda an Uncle Rob, and my wife's family.... They raised me when no one else wanted me.... My Momaw and Papaw was not my Momaw and Papaw but my Mommy and Daddy.... They was the best people on earth.... I cry and want to hurt myself but hopefully I can get right with GOD so I can be with them again.... No one can take them from my heart I think of them 24/7.... I ask GOD why he couldn't take me before he took them.... I wish they was still here and in good health so they can see and watch me and my 3 boys.... But they are in heaven watching over me and my 3 boys.... I love my Papaw and Momaw until I die they will forever be in my heart.... I wish I was a better person to them then but it's to late..... I miss them and always will.... When my 3 boys especially Brantley grows older they will always know my Momaw and Papaw.... If I get saved and pass away I pray my Momaw and Papaw will meet me at the gate with JESUS and hold my hand and walk me in....
